FRECKLE-FACE

Sun and Wind Bring Out Ugly Spots. How to Remove Easily

Here's a chance, Miss Freckle-face, to try a remedy for freckles with the guarantee of a reliable dealer that it will not cost you a penny unless it removes the freckles; while if it does give you a clear complexion the expense is trifling.

Simply get an ounce of othine—double strength—from any druggist and a few applications should show you how easy it is to rid yourself of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case.

Be sure to ask the druggist for the double strength othine as this is the prescription sold under guarantee of money back if it fails to remove freckles. 2

RUNAWAY JUNE
BY GEORGE RANDOLPH CHESTER AND LILLIAN CHESTERTemple Theater
TONIGHT

Mrs. Alma Pope and her sister passed thru the city today, on their way to Reddick, to attend the funeral of their mother, Mrs. Robinson, who died last night. Mrs. Pope, who now resides at Lakeland, was for some years connected with the Marion County Hospital, and yet has many friends here who sincerely sympathize with her.

Mrs. Hunt and two pretty little daughters, Louise and Marguerite, spent today in Ocala, en route to Lake City, where they will visit relatives. They drove over our city and greatly admired the hospital and the general surroundings of Ocala. They also visited the kindergarten school of Misses Gates and Rowley and were very much pleased with everything they saw. Mrs. Hunt is a sister of Senator Glenn Terrell of Webster.

Mr. G. C. Perkins, a member of the Jacksonville golf team playing Ocala yesterday, returned home this afternoon, having remained over to attend to business.

Its good for the whole family, and they all like it—PEANUT BRITTLE in boxes—at the Court Pharmacy. tf

The Ocala public library was moved today from the Board of Trade room to the Ocala House, Mr. L. N. Long having generously tendered the association a room on the second floor at the head of the stair, for use until other arrangements can be made.

We are sole agents for VINOL, and this is the time of the year to take it. The Court Pharmacy. tf

RHEUMATISM YIELDS QUICKLY TO SLOAN'S

You can't prevent an attack of rheumatism from coming on, but you can stop it almost immediately. Sloan's Liniment gently applied to the sore joint or muscle penetrates in a few minutes to the inflamed spot that causes the pain. It soothes the hot, tender, swollen feeling, and in a very short time brings a relief that is almost unbelievable until you experience it. Get a bottle of Sloan's Liniment for 25c of any druggist and have it in the house—against colds, sore and swollen joints, lumbago, sciatica and like ailments. Your money back if not satisfied, but it does give almost instant relief.—Adv. Tues, Thur, Fri.

Face Eruptions Have Deep Significance

Often They Indicate Impurities Deep in the Tissues.

The results shown by S. S. S. in clearing the skin reveal how searching and how deeply this famous blood purifier attacks blood troubles. Facial eruptions are more often significant of impaired nutrition resulting from faulty elimination of body wastes. Most people realize this to be true. And yet it is a difficult matter to convince such people that mercury is the one antidote. It is not so. There is in S. S. S. a product of nature that is rated one of the most potent principles known for the complete elimination of blood troubles.

Wherever you go there are people who know this to be true from their own experience, for it has been clearly shown there is one ingredient in S. S. S. as essential to health if the blood be impure as the nourishing elements of the grains, sugars and salts of our daily food. Get a bottle of S. S. S. today of any druggist, but insist upon S. S. S., accept no substitute. And if your case is peculiar or of long standing, write to the Medical Adviser, The Swift Specific Co., 101 Swift Bldg., Atlanta, Ga.
